

Village of Industry  
Board of Trustees Special Meeting Minutes  
October 10, 2024  
Kiwanis Building

The Board of Trustees, Village of Industry, McDonough County, State of Illinois met on October 10, 2024. Trustee Thompson called the meeting to order at 6:00pm. Those answering roll call were Trustees Jones, Rittenhouse, and Murray. Also present was Superintendent Gorsuch. Absent were President Danner, Trustees Wheeler and Stuckwisch, Treasurer Black, and Attorney Laegeler. Interim Clerk Larson arrived during the discussion.

- I. Public Comments-None
- II. The Board discussed continuing with Gworks, the company that recently acquired UBMax, the Village's current system for reading water meters and printing bills, along with other water system functionalities. The price of the system has increased from \$750 to \$2,250 annually. The board decided to trial Gworks for one year, as there may be a need for a complete overhaul when new water meters are installed, depending on what system they offer. Superintendent Gorsuch expressed a preference for continuing with this system due to the significant help he receives from Tiffany with TEST in Bushnell. As UBMax no longer exists, the Board agreed to move forward with Gworks for a one-year trial.
- III. Adjourn-Trustee Jone made a MOTION to adjourn and it was seconded by Trustee Rittenhouse. MOTION CARRIED and the meeting was adjourned at 6:04pm.

Respectfully submitted,  
Shelley Larson, Interim Village Clerk
